

You need have no worries – everything has been taken care of.
We have adopted effective measures to make our place safe.

- Trained** What are the coronavirus' transmission routes?
Which preventive measures should be taken? – We are clued-up.
The coronavirus does not stand a chance.
- Certified** Our establishment is awarded – with a quality seal for exceptional
disinfection. We use cleaning products that have been proven effective
against the coronavirus and implement a professionally created
disinfection plan.
- Comprehensive** Whether it be hands, surfaces, laundry, or silverware; whether it be the
handrail, door handle, toilet seat, toilet flush button, toilet brush handle,
bedclothes, fork, or drinking glass – we provide hygienic cleanliness
in every area.

So nothing will stand in the way of a relaxing, carefree, and safe vacation.

Our disinfection is certified
exceptional
